Meeting #7: Planting Seeds of Good Choices Classwork

Choices Game

Talk about making choices. We use our brains to think and make choices. God wants to plant in our minds, thoughts, like seeds are planted in the ground. One way that He does this is through the Bible. When we read God's word and think about it, we can't help but to 'sprout' actions filled with love. When we repeat these actions, they become strong habits and we will soon find that we have a character that reflects God's character of unselfish love. Respond with a thumbs up or thumbs down to examples of good and bad choices.
